FDOT Closing Southbound I-95 Exit to Philips Highway

Jacksonville – The southbound I-95 off-ramp to Philips Highway (U.S. 1) is scheduled to close Monday (July 6) for approximately four months as part of the Florida Department of Transportation's (FDOT) I-95 Overland Bridge project. San Marco Boulevard (Exit 350) or Emerson Street (Exit 347) can be used as alternate routes to Philips Highway.

In addition, the existing access from northbound Philips Highway to Atlantic Boulevard will change. Kings Avenue between Philips Highway and Atlantic Boulevard will be modified, allowing traffic to flow in both directions.

The closure of the southbound I-95 off-ramp to Philips Highway is required for construction of new Philips Highway access points.

Up-to-date lane closure information will be posted on the I-95 Overland Bridge Replacement Project website at www.I95overlandbridge.com. A project hotline number has been established to assist the public with questions and concerns: 904-491-2110.

For more information regarding FDOT projects around the Northeast Florida area, please visit <http://nflroads.com> or contact Ron Tittle at Ron.Tittle@dot.state.fl.us, (904) 360-5457. Follow FDOT on Twitter @MyFDOT_NEFL or http://twitter.com/MyFDOT_NEFL and <http://facebook.com/MyFDOTNEFL>.

FDOT strives for safe construction zones. Travelers should stay alert, be aware of heavy equipment in the area and follow the 45 mph posted speed limit through the construction zone.
